Quality Food For Generations

The Neale family have been farming in Burscough for generations building years of experience in growing the best produce in the fields around Martin Lane.

Most of the extended family live along Martin Lane with other farming relations across West Lancashire. Many of our recipes have been handed down through the family and we are delighted you have come to try a little taste of the country.

The Farm Burscough, shop tearoom and B&B has been set-up as a partnership by Bill and Freda Neale, their daughter Cathy and her husband Dan.

This beautiful 18th Century brick barn has, over the years, been used to house cattle, turkeys and horses! But following a significant renovation has been converted for your enjoyment.

Our bedrooms are graded four-star by Visit Britain and are available year-round.

Please take the time to have a look around our farm shop which includes the best of our home-grown vegetables, home-laid free-range eggs and homemade cakes and jams. There is also a wide selection of other products which have been hand-picked from local farms and suppliers.

Try our FARM WALK
