## Quality food for generations

The Neale Family have been farming in Burscough for generations, building years of experience in growing the best produce in the fields on and around Martin Lane.

The Farm Burscough, shop, tea room and B&B was set up in 2008, between Bill & Freda Neale and their daughter Cathy. In this lovely 18th century barn that has had various uses over the years from housing animals and produce and later on as storage as farming methods developed, before getting a significant renovation. In 2016 along with the extension to the existing CL campsite, we welcomed the opening of the first retail units and in 2017 came the first camping pod. Things have steadily grown to what you see today.

Our 3 bedrooms are graded four stars by Visit England and are available all year round and we are very proud that our tea room has a Highest Quality Assured grading from Visit Lancashire. We use local suppliers and home produced & grown ingredients where possible, some of these are listed below. Our licenced farm shop is also stocked with our home-grown vegetables, free range eggs, home-made cakes and jams along with a wide selection of products that have been handpicked from local farms and suppliers.

## Some of our Suppliers
